

Drag Race School

"Live Your Dream"

You drive a 468 cubic inch Chevy 7.7 liter, 630 kilowatt, 725 kilogram fuel injected, methanol-burning dragster that goes 0-100 in 1.2 seconds - for the thrill of a lifetime! This is rocket science!!! Gift certificates available.

This is not an amusement ride!

You drive a competitive, fully equipped state of the art dragster that races at every race meeting.

The standard two day "Safety and Control Licensing Course" only \$2895.00

Standard Packages require minimum of 2 clients and a maximum of 3 clients per session. 1 on 1 sessions are available at additional cost. The advantage of 1 on 1 is ease of scheduling. All we need is available date from Willowbank and meeting your schedule since we don't have to organize around someone

else's schedule.

(ANDRA approved Unlimited Drivers License)

The Drag Race School program is the only sanctioning body approved school program in the world.

2 days - Full tutoring and 4 runs in the car.

- All race gear supplied – helmets, suits, and gloves.
- Perfect for birthday or Christmas presents (one they will never forget!) Gift certificate available
- Certificates of Graduation included with photos
- Car and crew available for rent to all licensed DRS graduates
Bring a friend and you both get a discount.

Price includes all track rentals, ambulance, fire crew, timing staff and we supply the safety equipment and race car.

For more information and class schedules log on to www.KenLowe.com.au or call 0411-699 535 or email ken@kenlowe.com.au

Drag Race School *"Live your dream"* (the alternative is regret)

Client comments:

"Three days that changed my life forever. Ken and his team are great!" Glen Curtis, Ford Dealer

"It was like riding a rocket through a time tunnel." Gerald Lim, "Golden Dreams" Malaysia

"I've been dreaming about this experience for over 20 years. It was different to my fantasy-much better." Steve Reilly

"I would call this Drag Race School the best investment I've ever made. It confirmed I can now make drag racing my chosen sport." Barrie Young – Builder

"I got over a big hill at the school – thank you, my life will never be the same." Ross Dowley - Pilot

"Having grown up around drag racing I thought I knew a bit about it until doing the school. It is worth doing even if you don't become a driver. It changes your way of thinking and is probably the most fun I've ever had, or ever will have." Toni Patterson, Office Manager

"This is absolutely unreal – I've bungy jumped before but that was nothing compared to this." Andrew Tinetti

"The best possible introduction to a new sport that I could have asked for." Glenn Willetts

"Wow, this car is quick, this is the closest thing to teleportation I have ever experienced, first I was here, then I was there, I am just not sure how I got there!!!"
