

Willowbank Race Car Storage

Racing is fun, getting to the race track usually isn't and these days it sure isn't cheap.

How about you fly into Brisbane, rent a car and drive to the track to race your car. How?

Lease storage space at Willowbank Race Car Storage to store your race car. Leave your car and trailer or container here, or lease one of our containers to store your car in. We are only five minutes from Willowbank Raceway on the other end of Champions Way, and about an hour's drive to Warwick Raceway.

Store your race car in a safe secure and dry location near Willowbank Raceway. Transportation is a very big cost of going racing. Now you have options, you can store your race car, or truck or trailer or container at Willowbank Raceway Park. We are located just five minutes from Willowbank Raceway on the west end of Champions Way, the road changes name to Paynes Road, we have 24/7 security on site. Contact us at 0411-699 535 for rates and availability. We are currently storing nine race cars with room for a dozen more. Both short term parking and cost saving long term parking available. Our exact location known only to our customers (security). Parking is 200 meters from the road (security).

- No one is allowed near your equipment unless they are on your list of people permitted. A phone call from you can add anyone you want prior to them arriving. Gates are open from 8am to 5pm weekdays or by appointment.
- If you live in Mackay / Rockhampton or further north and want to race in Sydney or further south, how much fuel could you save if you left from Brisbane? How much time and money would you save if you made Willowbank Race Car Storage your race travel hub?
- To avoid the airport hassle, traveling racers can have their parts shipped here so they are here when you pick up your car.
- Have your container shipped here as we can receive it for you and have it set in place for you. If you want it moved to Willowbank, MT Movers can move it for you cheaply once they are at Willowbank delivering someone else's container, yours in only five minutes down the road, or just transport the car to the track, leaving your container here.
