

Drag Race School – Travel and Lodging Arrangements 080303

The Drag Race School is held at Willowbank Raceway near Ipswich Queensland, just west of Brisbane about 45 – 60 minutes drive from the airport, depending upon traffic.

The Drag Race School has selected Willowbank for its world class facility, closeness to a major airport and its history for excellent weather. Not to mention that Willowbank hosts the largest Drag Race event outside the USA.

We have considered taking the Drag Race School to other facilities but logistics does not support it, and in today's world pre arranged airfares are very reasonable so from a cost consideration doing the Drag Race School at Willowbank wins all the logical arguments.
